Invitation Letter for Plenary Speaker

Dear Dr. Alil,

The 11th International Conference on Renewable Electrical Power Sources (ICREPS), organized by the Society for Renewable Electrical Power Sources, within the Union of Mechanical and Electrotechnical Engineers and Technicians of Serbia and co-organized by Institute of Architecture and Urban & Spatial Planning of Serbia, Chamber of Commerce and Industry of Serbia, and Ministry of Science, Technological Development and Innovation of the Republic of Serbia, will be held from 2-3 November 2023 in Belgrade.

In view of the high research reputation of your work as well as your excellent presentation skills and on behalf of the International Scientific and Organizing Committees of the ICREPS 2023, it is our sincere pleasure to invite you to participate at this meeting and present your paper entitled "TESTING THE QUALITY OF EXPLOSIVELY WELDED JOINTS OF DISSIMILAR METALS POTENTIALLY APPLICABLE IN RENEWABLE ENERGY SOURCES" as a plenary lecture. Your knowledge and experience in this area would be constructive and inspirational for the audience and of great importance for the Conference, especially in the field of energy sources.

We look forward to hearing from you and hope that you will be able to accept this invitation.

Respectfully,

Assoc. Prof. Dr. Aleksandar Savić
President of the Organizing Committee

Dr. Milica Vlahović
President of the International Scientific Committee

Belgrade, September 18, 2023
